1910 CONVENTION---NEW YORK CITY

OFFICIAL BULLETIN--"NUMISMATIST"--PHILADELPHIA

Columbus, Ohio, 5/30/'10.

Mr. Bauman L. Belden

New York City.

My dear Sir:

The several Catalogues of the recent exhibition, which you so kindly sent me, reached me in good shape. To say that I was pleased would not be doing them justice. Please accept my sincere thanks for your favor. I had planned to attend the exhibition but sickness prevented.

We are anticipating a very pleasant and profitable convention there in September. I presume you are acquainted with all the local arrangements, as Mr. Higgins informs me that he has had several conferences with you and others of the A.N.S. He also informs me that you have consented to take charge of coins and medals sent for exhibition. I was pleased to note this. We will do what we can to induce the members of the A.N.A. to make this exhibit worth while.

With kind regards, and anticipating the pleasure of a personal acquaintance, I am,

Very sincerely yours,

Dear Dr. Henderson:-

I have received your letter of December 2nd resigning as an active member of this Society. Do you desire to withdraw from the Society entirely, or would you prefer to be placed on the associate membership roll where the dues are but five dollars per year ?

We always regret to lose from our rolls any member who is an active collector and as much interested in the subject as you are, and we would be very glad to transfer your name to the associate membership roll should you so desire, and for any one who resides as far away as you do an associate membership presents really the same advantages as a full membership.

With kind regards to you and Mrs. Henderson, believe me,

Very sincerely yours,

Secretary.

Mr. Bauman L. Selden, Secretary  
American Numismatic Society,  
New York.

~~My dear Sir:~~

Yours of the 7th inst. came duly to hand  
but have neglected replying.

When I sent you my resignation as an active  
member of the A.N.S. it was the result of thought that  
I was straining my financial resources a little beyond  
my means, to pay dues in the many and various societies  
to which I had attached myself, so I concluded that the  
best thing for me to was to resign from a few.

Your suggestion that I change my membership  
from active to associate, was a happy one, and I here-  
with enclose my check for \$2.00 and request that my  
membership be so changed.

With kind regards, and wishing you the  
compliments of the season, I am

Sincerely and Fraternally yours,

January 3rd, 1913.

Dr. J. W. Henderson,  
13 1/2 State Street,  
Columbus, Ohio.

My dear Dr. Henderson:-

Your letter of December 29th with check for five collars was duly received, and I am very glad that we will not lose you from the Society. Your name will be placed upon the Associate Membership Roll at the beginning of the new year, January 18th.

With kind regards to you and Mrs. Henderson, believe me,

Very sincerely yours,

December 7th, 1917.

Dr. J. M. Henderson,  
511-512 Citizen's Bank Building,  
cor. High & Gay Street,  
Columbus, Ohio.

Dear Dr. Henderson:-

Referring to our conversation on the evening of December 6th, I beg to advise that the two Indian Peace Medals mentioned by me are as follows:-

|  |   |   |         |
|--|---|---|---------|
| John Quincy Adams, small size, silver, | - | - | \$25.00 |
| James K. Polk, large, silver,          | - | - | 25.00   |

We should be very glad to let you have either or both of these, and hope you will be able to use them. In speaking with Mr. Wood this morning he assures me that if you will give us some indication of what you would like to secure in this line, he will be very glad to bring to your attention anything of a like nature which may be offered to us.

Please convey my greetings to Dr. Mills when next you see him - I know both you and he appreciate that we shall be glad to see you when ever you are in New York.

Yours very sincerely,

Secretary.

Mr. Sidney P. Noe,  
New York City.

My dear Mr. Noe:

Your good letter of the 7th inst. received in due time. It was very kind of you to so promptly advise me of the two Peace Medals.--Adams and Polk.

I immediately called up Dr. Mills and read your letter to him. He stated he would get busy at once and try to find some good Samaritan to purchase those medals for the Society. He should be successful, and I think he will. No doubt you will hear from him before long.

I do not know what condition their treasury is in, but the usual condition is "busted". However Dr. Mills is quite anxious to secure a series of Indian Peace Medals, relating to Ohio in any way, so I judge he will find someone willing to contribute these medals. What he especially wants is a copy of the large Red Jacket medal, and the "Greenville Treaty" medal. A copy of the latter is in the Historical Society collection at Philadelphia. Kindly request Mr. Wood to inform me of any Peace or early historical medals, relating to Ohio, that may come under his notice.

It was a great disappointment to me that I did not get back to the A.N.C. building, but my time was so limited that I did not get half the things accomplished that I desired.

Kindest regards to self and Mr. Wood,

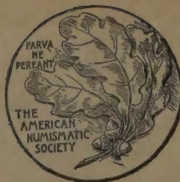

Sincerely,

J. M. Henderson
